Form Code: luhs.pdf

A REQUEST: Keeping up with field placement data is a never-ending task; agency names change, supervisors come and go, phone numbers change, email addresses, web sites, and the like. If, in your efforts to contact this placement site, you uncover more current information for the Fresno State Field Placement Web Site, please email the update to Dr. H. Dan Smith at dans@csufresno.edu. Thank you, and good luck with your search.
