Notes:	<p>Add here any applicable notes related to the site. Specialized focus, type of clientele, special skills required of trainees/interns, etc.</p> <p>This site offers opportunities for individual and group counseling (both psychoeducational and interpersonal process) with adults, children, and youth. Clientele are those who have been affected by domestic violence/intimate partner violence and caseloads are likely to include both survivors and perpetrators of DV/IPV. Group and individual supervision are scheduled weekly, and triadic may sometimes be substituted for either. Crisis assessment and crisis intervention skills are a necessity. DV "40 Hour Training" will be provided to students, allowing them to qualify as Domestic Violence Advocates.</p>
